On January 8, 2014, Homeland Security Investigations (HSI), McAllen, Texas (TX), Special Agent (SA) Richard L. Ullrich began an Internet investigation to identify persons using the peer-to-peer (P2P) software on the Internet to traffic in child pornography. SA Ullrich identified a computer, located at IP (Internet Protocol) 24.243.115.48, offering to participate in the distribution of movies with titles that were suggestive of child pornography. Several movies were viewed and observed to meet the federal definition of child pornography.

Subsequent investigation revealed that IP 24.243.115.48 was also utilized from the residence of Jesus Javier GARZA Jr. (GARZA) in Mission, TX. On February 27, 2014, HSI McAllen special agents executed a federal search warrant at the residence of GARZA in Mission, TX. The search warrant was executed without incident resulting in the seizure of 2 computers and various media storage devices.

On February 27, 2014, GARZA was interviewed by SA Richard L. Ullrich, and SA Nathan Brigmon. GARZA was read his rights in English by SA Ullrich from a preprinted form, as witnessed by SA Brigmon. GARZA stated that he understood his rights, waived his rights, and agreed to an interview.

GARZA stated that he did in fact download and receive child pornography from the Internet, and was in fact in possession of child pornography on his computer and a portable media storage device. GARZA stated that he was aware that it was illegal to download, receive and possess child pornography.

Assistant United States Attorney Kimberly Leo was briefed regarding the aforementioned and Federal Prosecution was accepted.
